

Extended: Residence permits for Ukraine!

Residence permits for Ukrainian refugees that are still valid will remain valid. Permit holders do not need to apply for an extension or attend appointments with the immigration authorities.

Residence permit for Ukraine extended until 2027

According to the regulation on the continued validity of residence permits for Ukraine, residence permits for temporary protection that are still valid on February 1, 2024, will be automatically extended until March 4, 2027. These were and are issued in accordance with Section 24 (1) of the Residence Act for foreigners who have traveled to Germany due to the war in Ukraine. Refugees do not have to go to the relevant immigration office for an extension.
